Further to draft minute number 321/24 - APPLICATION FOR REGISTRATION OF ASSET OF COMMUNITY VALUE

At the meeting of Full Council held on 9 January 2024, council considered a request submitted on behalf of Enterprise International (ESI) for Whitby Town Council to submit an application to North Yorkshire Council to register the 3G pitch at Eskdale School and surrounding area as an Asset of Community Value.

It was resolved that the item should be deferred to an extraordinary meeting of Council to enable consultation with other interested local groups.

Further information has been submitted on behalf of the applicant, by representatives of Whitby Town Football Club and by the Head of Sport and Active Wellbeing (Development) for North Yorkshire Council.

It is established that there is no declared threat to the facility and that North Yorkshire Council as the landowner is committed to the Community Use Agreement governing the 3G pitch as a condition of the funding secured from the Football Foundation.

There is an established community steering group for the 3G pitch which is actively seeking continued use of the 3G pitch within the terms of the Community Use Agreement.

It is **recommended** that, based on the advice of the Head of Sport and Active Wellbeing, that an application to register an asset of community value is not made at this time.
