Dear Councillor,

22 January 2025

Your attendance is requested at a meeting of the **PLANNING & LICENSING COMMITTEE** to be held in Pannett Art Gallery, on **Tuesday 11 February 2025 at 5pm**, the agenda for which is set out below.

Anne Cowey  
Deputy Clerk & Civic Officer

To: Councillors, P Bolton, R Dalrymple, J Harston and  
Mrs E Mulheran  
*Substitute*

Prior to the start of the meeting Mr Redfern will give an informal presentation on the Whitby Lobster Hatchery charity, *North Sea Conservation*, (which has been leading a project to improve one of the town's most central and historically significant buildings. Whitby's Fish Market building has received only minimal maintenance since its construction, highlighting the urgent need for refurbishment.

The project began in 2021, during which regular meetings were held with Scarborough Borough Council (SBC), English Heritage, the Harbour Authority, and other key stakeholders. This initial phase led to a pre-application planning submission in 2022, which received positive feedback. A presentation was giving to full council (WTC) during this phase.

Since then, the team has been working towards a full planning application. With support from the UK Shared Prosperity Fund (UKSPF), we have engaged experts, including architect Ian Hazard, building services specialists, heritage consultants, façade engineers (ARUP), quantity surveyors, and other relevant organisations. In 2024, North Sea Conservation conducted an in-depth public perception study, gathering insights from key stakeholders across the town. The proposal with bring some much-needed investment into our fishing community while improving the aesthetics and function of Pier Road included some necessary facility improvement to the Whitby Lobster Hatchery & Marine Discovery Centre.

With a formal planning application now approaching, we are pleased to present the project ahead of the submission.)
